Call for candidates for a postdoctoral fellowship

The Graduate Program in Mathematics of UFPB (PPGMat-UFPB) announces the opening of 05 (five) vacancies for a postdoctoral fellowship to be carried out within the program, according to the rules contained in the Resolution 52/2014 of Consepe-UFPB and in the Ordinance 086/2013 of CAPES.

1. Applications

1.1 The period of application starts at 0:00h on 15/08/2020 and ends at 23:59h on 14/09/2020, Brasília time. The candidate must send, at the email address ppgmat@mat.ufpb.br, in PDF, the following documents:

1.1.1 A research project for a period of 12 months;

1.1.2 A letter of agreement from a member of PPGMat, showing the interest and availability to supervise the submitted project;

1.1.3 A recent curriculum vitae.

1.2. Each candidate must arrange 02 (two) letters of recommendation from 02 (two) researchers. Each researcher has to send his letter of recommendation directly to PPGMat ppgmat@mat.ufpb.br by email.

2. Selection

The following points will be evaluated:

2.1. The research project, subject of item 1.1.1;

2.2. Scientific production in the last 05 (five) years;

2.3. If the selection committee believes it is necessary, a candidate may be asked for a videoconference interview. The interview will be scheduled in advance by an agreement between the committee and the candidate.

3. Results and implementation of the fellowship

3.1. The result will be announced on 15/09/2020 or later on the following websites:

<http://www.mat.ufpb.br/dm> and <http://www.mat.ufpb.br/ppgmat>.

3.2. The selected candidate has at most 90 days, starting from the date of the announcement of the selection results, to fill the vacancy.

3.3. At the moment of the implementation of the fellowship in the system of UFPB, the candidate must present a document confirming either a doctoral degree received from courses evaluated by CAPES and recognized by CNE/MEC, or an equivalent degree received from a foreign institution.

3.4. At the moment of the association with the system of UFPB, candidates having an employment must present a formal authorization to leave from their institutions of origin.

4. Final considerations

- The candidate should be aware that, if it is in the interests of PPGMat, he or she may be invited to teach a course in the mathematics department of UFPB.
- During the period of the pandemic COVID-19, the activities can be carried out remotely.
- The vacancies advertized in this announcement are not associated with any type of financial support.
- At the end of the postdoctoral fellowship, the researcher and his/her supervisor must present to the PPGMat a report on the activities.
